Mr A. J. Hammond
442 E. Washington St.
Greensboro N.C.

Dear Mr Hammond:

I received your letter asking us to come to Greensboro, July 31st. The letter was sent July 11th. It is impossible for us to plan these "southern trips on such short notice. I wish it was possible for you to send me a schedule of all the dates you have in all the cities you promote in, and I could possibly work out a few dates.

I would like to come to N. Carolina again. I am hoping to go south in September, and it is very possible we could work out a good program with one of the other teams coming south, but I will have to have the dates, or some idea how they are arranged. Several of the teams hope to play through September, and they will have to go south. I am sure they will all want to make some stops in N. C. If you will let me know what dates are available, I will be glad to cooperate with you.

Very Truly Yours
